Oilwinds Autoline System helps you to make longline fishing easy

ELSE HM 67 Hanstholm, Denmark
Sølyst HM 119 Hanstholm, Denmark and TORINE M-006-G, Norge

They set out 14 to 20 lines out per trip (around 4,200 to 6,000 hooks). There is only 1 man onboard and he repairs the line, when he is back on land, or someone else does it for him.

GR 6-11 - P.P.NIELSEN NUUK, GREENLAND

They set out 6000 to 7000 hooks per day. They prepare the line and hooks onboard which they can set out the next day.
